About Global Helium Corp.

Global Helium is one of Canada's largest helium exploration and development companies, focused on the exploration, acquisition, development, and production of helium, done right. The Company has carved out a differentiated position through a unique Farm-In Agreement with industry veteran, Perpetual Energy Inc., through which HECO can access approximately 369,000 acres in Alberta's Manyberries helium trend via joint venture. The Company has also captured 100%-owned permits encompassing over 820,000 acres prospective for helium in Saskatchewan's well-established helium fairway and has recently acquired three significant assets with proven helium tests in the State of Montana. HECO brings a seasoned team of industry professionals and technical experts who have established connections with North American and international helium buyers.
